

THE CAR - Part 4 of THE HISTORY OF TRANSPORTATION MEDLEY

The next invention not only capture the heart of America, it changed the way we lived, the way we worked, even the way we built our cities. The automobile was a teenager's dream come true. And the assembly line that produced it changed industry forever.

Henry Ford
Just ignored
The laughing people as he climbed aboard.

Model T,
"Tin Lizzy"
Was the start of a new legacy.

Auto car
Will get you far
With a new and simple engine fine.

Make a dash,
Save some cash,
As the Fords come down the assembly line!

Forget horses
For gas sources. . .
Come one now:
The car has made history!
